Sequel to Sparks & Drops

The Wheel Mysteries: Book Two

A month and a half into their relationship, PI Niall Valentine and his occult shopkeeper boyfriend, Gus Goodwin, are hoping for a little time alone, but they're thrown into another murder mystery.

Niall's client, Angelina Talbot, is certain her new husband attempted to kill her, ambushing her in their bedroom, half-naked and covered in blood. Scared out of her mind, Angelina hit him with a lamp and ran away. Florian Talbot lies dead in the bedroom, his head smashed in with a lamp—but the door is locked from the inside. Is Angelina truly an unwitting murderer, or are more sinister forces at play?

With a family of eccentrics, borderline criminals, and Satanists, the real killer could be any number of people wandering the mansion that night under the cover of darkness. The entire Talbot clan thrives in secrecy. Still unfulfilled and utterly perplexed, Niall and Gus are tasked with shedding some much-needed light on the shadowy case.
