Europe (Facts at Your Fingertips. the World of Endangered Animals) Tim Harris (Or

Europe is the historical home of the worlds most powerful nations...and their mostly ruined animal worlds. But this first tier world is rebuilding nature as it can and this report on the endangered species this continent is a description of effort, citizenship, and technology. It is an ideal report-writing resource; featured animals are discussed by habitat, routines, and region, and data panels give specifics about population, endangered status, habitat change, and more. Critical readers will learn the categories of threat and how conservation organizations work to preserve endangered species.
