*Saint Augustine*

**Expositions of the Psalms 51-72 (Vol. III/17) (The Works of Saint Augustine: A Translation for the 21st Century)** Saint Augustine

Third volume of the long-awaited translation of one of Augustine's classics and a great work in Christian literature.

As the psalms are a microcosm of the Old Testament, so the Expositions of the Psalms can be seen as a microcosm of Augustinian thought. In the Book of Psalms are to be found the history of the people of Israel, the theology and spirituality of the Old Covenant, and a treasury of human experience expressed in prayer and poetry. So too does the work of expounding the psalms recapitulate and focus the experiences of Augustine's personal life, his theological reflections and his pastoral concerns as Bishop of Hippo.
