Catherine would say it all began in a time that is yesterday and tomorrow and eternally present. But then Catherine's a storyteller. I'm not a storyteller. I'm just the guy it happened to.

Everyone knows a Robert. He's the guy who's never picked for the team, the one who sits alone in the classroom. So no one is more surprised than Robert himself when a strange old lady sends him on a quest to solve the mystery of derelict Chance House. Legend has it that a boy once fell to his death from an upper window. But what has this past to do with Robert's future? To get to the truth, Robert must learn what it really means to fly.
