(Book). The Beatles' North American tours turned the entertainment business on its ear and forever changed the landscape of the concert touring industry. In February 1964, after finally achieving a number-one hit in America, the Fab Four came to the country with high hopes, performing on the wildly popular Ed Sullivan Show in both New York City and Miami and playing concerts at Carnegie Hall and the Washington Coliseum. In just fifteen short days, the Beatles conquered America. The Beatles made music-entertainment history with their North American tours from 1964 to 1966. *Some Fun Tonight!
