Tachyon Energy: A New Paradigm in Holistic Healing Gabriel Cousens M.D., David Wagner
Wagner and Cousens demonstrate a tachyon theory that unveils the delicate weave of Spirit, kundalini, health, physics, and biology as a subtle dance out of traditional healing. This book explains, in the authors' persuasive words and case studies, the breakthrough holistic healing technology called Tachyon energy. Benefits include a more rapid healing and at least a partial reversal of the aging process. They have successfully merged concepts of science and spirituality, as they bridge the faster than light world of existence with our slower than light world of form. The reader of this book will understand profoundly how tachyon energy is the source of all frequencies as well as the source of all healing.
