The Class Boni Ashburn

Count along with twenty young students from nineteen different homes as they get ready for their first day of kindergarten.

Alarm clocks go off and students all over town wake up and get ready for their big day. Some feel eager, others are nervous, and a few are even grumpy! But they all get dressed, eat breakfast, pack backpacks, and make their way to school, where they will meet their new teacher and become a wonderful new class. Boni Ashburn's snappy rhyming text and Kimberly Gee's adorable and diverse group of children make this a great pick for little ones getting ready for their first day of school.
