The author of *We Who Are Alive and Remain* presents remembrances from the families of the soldiers of Easy Company

A Company of Heroes is an intimate, revealing portrait of the lives of the men who fought for our freedom during some of the darkest days the world has ever known—men who returned home with a newfound wisdom and honor that they passed on to their families and who continue to inspire new generations of Americans.

Compiled from the veterans' notes, journals, letters, photographs, and the author's personally conducted interviews with the surviving contributors, this unique volume features the never-before-told stories of the Band of Brothers from more than twenty children and other family members.
