Head Start in Designing Research Proposals in the Social Sciences Kobus Maree, Carol van der Westhuizen

Equipping researchers in the social sciences with the skills needed to prepare and write an exceptional research proposal, this helpful resource provides a hands-on, user-friendly approach for both novice and experienced researchers. Featuring step-by-step guidelines, simple explanations of intricate concepts, sections on the triangulation and crystallization of ideas, and a section on writing a proposal for funding, this complete guide is approachable but does not dilute the conceptual and terminological complexities involved. A CD-ROM with examples of real proposals and a template for creating proposals is also included.
