Leaping Lemmings! John Briggs

Think before you leap! Lemmings look alike, sound alike, and act alike. If one jumps off a cliff, the others jump right after him. . . except Larry. Larry's *very* independent and won't follow his fellow lemmings blindly to their doom. But can he teach them to use their brains and stop making terrible group decisions? John Briggs has created a wonderfully funny, quirky tale about staying true to yourself, while Nicola Slater's witty illustrations capture all the humor and pathos of Larry's situation.
