The Nature of the Individual

Isabel Scribner Stearns, foreword by Jude Jones

The Nature of the Individual Isabel Scribner Stearns, foreword by Jude Jones

Alfred North Whitehead called Isabel Scribner Stearns the most talented female philosopher in America. Drawing on Whitehead and her other teachers, Paul Weiss, C.I. Lewis, H.H. Price, and Grace de Laguna, as well as the traditions of ancient Greek philosophy, Continental Rationalism, German Idealism, and American Pragmatism, Stearns has created an epistemologically and logically sound systematic account of the ontology of individuation and the relational genesis and endurance of individual beings.
