Zack's Choice Harry E Gilleland Jr.

Zackery Gresham has his life all planned. His mother is a lawyer; his father is a federal judge; and he is Pre-Law at Yale, with Harvard Law School to follow before he joins his mother's prestigious law firm. He plans to marry his high school and Yale girlfriend once he graduates from Law School. During a school break Zack takes a once-in-a-lifetime motorcycle trip through the southern states. In New Mexico he has a chance encounter with a strange hitchhiker. The resulting chaos will bring Zack face-to-face with a choice that could alter his life forever. Reviewed by Jack Magnus for Readers' Favorite: 5-stars Zack's Choice is an adventure story written by Harry E. Gilleland, Jr. Zack is having a last adventure before going back to Yale for his final year of pre-law studies. His life is planned and set out: a law degree from Harvard and then a career with his mother's law firm. He's been touring the Southern states on his Harley on his way home to Portland. While Zack's parents were not at all enthusiastic about this trip, Zack stood his ground and has been having a great time. Everything changes when he stops to pick up a young hitchhiker in the deserts of New Mexico. The hitchhiker, Bobby, seems aimless and too young to be on his own, so Zack treats him to dinner and shares his motel with him. When Zack wakes up, Bobby is gone, along with Zack's wallet. Zack calls home for extra cash and continues on his trip, stopping in Las Vegas for a show and some gaming before going home. He's surprised to find Bobby walking down the street and, on apprehending him, hears a very strange story indeed. Harry E. Gilleland's contemporary fiction novel, *Zack's Choice*, is a first-rate adventure tale. The plot is fast-paced and very entertaining. Zack is a good boy when the reader first meets him, whose big act of rebellion from somewhat domineering parents is a summer trip on his Harley. He's already resigned to it being his last big thrill when life interrupts. Bobby's story is so crazy, yet compelling, that I was taken in as well and began to think *Zack's Choice* was another fiction genre altogether. There's a lot of humor as Zack blithely goes off to school, not fully realizing what he's done, and a grim peek into the legal machinery the unwary can get enmeshed in. *Zack's Choice* is literate, fun, and entirely unpredictable, and I enjoyed it immensely.

From reader reviews:

James Marcus:

In other case, little folks like to read book Zack's Choice. You can choose the best book if you appreciate reading a book. So long as we know about how is important any book Zack's Choice. You can add know-how and of course you can around the world by just a book. Absolutely right, due to the fact from book you can recognize everything! From your country until eventually foreign or abroad you will end up known. About simple matter until wonderful thing it is possible to know that. In this era, we can easily open a book or perhaps searching by internet system. It is called e-book. You need to use it when you feel bored stiff to go to the library. Let's go through.

Charlotte Ramsey:

What do you concentrate on book? It is just for students as they are still students or that for all people in the world, the actual best subject for that? Just simply you can be answered for that problem above. Every person has various personality and hobby for every other. Don't to be pushed someone or something that they don't would like do that. You must know how great and important the book Zack's Choice. All type of book can you see on many methods. You can look for the internet solutions or other social media.

Lawrence Scuderi:

Information is provisions for anyone to get better life, information nowadays can get by anyone on everywhere. The information can be a knowledge or any news even restricted. What people must be consider when those information which is inside former life are hard to be find than now's taking seriously which one is appropriate to believe or which one the actual resource are convinced. If you receive the unstable resource then you get it as your main information there will be huge disadvantage for you. All of those possibilities will not happen inside you if you take Zack's Choice as the daily resource information.

Gayle Skinner:

What is your hobby? Have you heard that question when you got pupils? We believe that that query was given by teacher with their students. Many kinds of hobby, Every individual has different hobby. And you also know that little person just like reading or as studying become their hobby. You must know that reading is very important and book as to be the factor. Book is important thing to increase you knowledge, except your own teacher or lecturer. You will find good news or update regarding something by book. Numerous books that can you choose to use be your object. One of them are these claims Zack's Choice.
