Neville

The first work of higher awareness and practical metaphysics by the twentieth-century's groundbreaking visionary, Neville Goddard.

In the past decade the visionary work of Neville Goddard (1905-1972) has attained spectacular popularity. A new generation of readers is discovering and testing Neville's core principle: *imagining creates reality*.

In this handsome Cornerstone Edition, readers can now experience Neville's first book from 1939, *At Your Command*. The book succinctly lays out his teaching with splendor, ease, and total practicality. Neville first classic work now has the dignified and beautiful publication it deserves.

As a special bonus, this Cornerstone Edition includes historian Mitch Horowitz's essay on Neville's life and work, "Neville Goddard: A Cosmic Philosopher," which explores the background of Neville's mysterious teacher Abdullah, and considers how his ideas relate to contemporary science.
