Ike and Dick: Portrait of a Strange Political Marriage

Jeffrey Frank

Ike and Dick: Portrait of a Strange Political Marriage Jeffrey Frank

An absorbing account of “the most intriguing—and dysfunctional—political marriage in history” (*The New York Times Book Review*, front page review).

One of the most acclaimed political biographies of our time, Jeffrey Frank’s *Ike and Dick* takes you inside the strained and complex relationship of two fascinating American leaders—hailed as “top-drawer as political history” (Russell Baker, *The New York Review of Books*) and “one of the best books ever written about Richard Nixon” (Thomas Mallon, *The New Yorker*).

For nearly twenty years, Dwight D. Eisenhower and Richard Nixon shared a political and private association that deeply affected both men and their turbulent era. In a work of “compelling can’t-put-it-down history” (Joe Klein, *Time* columnist) filled with “marvelously cringe-inducing anecdotes” (*The Wall Street Journal*), Frank reveals sides of the two that you’ve never seen. He offers fresh views of the striving, uneasy young Nixon and of Eisenhower, the legendary commander in failing health, far more comfortable with international affairs than with problems besetting the United States. Behind the scenes and beyond the headlines, *Ike and Dick*, informed by deep archival research and dozens of interviews, provides a captivating look at the presidency and the nation. It will become essential reading for generations of Americans.

Only viewing or reviewing it might to be your solve problem if you get difficulties on your knowledge. Kinds of this reserve are various. Not only simply by written or printed but also can you enjoy this book by simply e-book. In the modern era just like now, you just looking from your mobile phone and searching what their problem. Right now, choose your own personal ways to get more information about your book. It is most important to arrange you to ultimately make your knowledge are still revise. Let's try to choose appropriate ways for you.

Russell Diamond:

As a pupil exactly feel bored for you to reading. If their teacher questioned them to go to the library or even make summary for some book, they are complained. Just tiny students that has reading's soul or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that looking at is not important, boring in addition to can't see colorful pics on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Ike and Dick: Portrait of a Strange Political Marriage can make you experience more interested to read.
