The Spirit of a Woman: Stories to Empower and Inspire (2011 Silver Nautilus Award winner)

Combining storytelling and courageous honesty, *The Spirit of a Woman: Stories to Empower and Inspire* is an indispensable resource for every woman, providing inspiring stories of female creativity and compassion for those who want to lead lives full of meaning and purpose.

Consisting of approximately two dozen nonfiction essays—by authors such as Lauren Artress, Christina Baldwin, Bobbi Gibb, Mama Donna Henes, Jyoti, Dr. Gladys McGarey, Suni Paz, Hagit Ra'anan, Janet Grace Riehl, and Sheri Ritchlin—the book is a celebration of courageous women living spiritual lives in the face of challenging circumstances. Each story is unique and demonstrates the art of storytelling at its best.

The women who wrote the stories come from many nations, ages, and personal histories. They have encountered the difficulties that are part of a fully lived life, and instead of fleeing the unknown, they have honored the mystery and faced fear with faith. They see closed doors as openings to new choices and possibilities. They are spiritual optimists and activists, fighting for causes that resonate deep within their souls. Some have used the backgrounds of their cultures and traditions to lead richer, more meaningful lives. Some have moved from one faith to another or even to many other faiths. Others have left tradition behind to encounter spirituality in new and wonderful ways. And every single one of them sees life as a sacred trust.
