Just For Dads and Grandpa too: A Living-Legacy Journal Richard Possett

This journal book is Just For Dads! Its about Dads of all ages. Typically, what is handed down form our fathers is both a natural and material inheritance. It is a legacy of genes, behaviors, mannerisms, money, and property. Unless there is some special effort put forth, a lot about Dad is lost upon his death. The purpose of this journal book is for fathers to record their story. It is meant to be a living life gift to their sons and daughters. In this way, fathers can leave a complete legacy, both tangible and intangible, to their children. The journal speaks to the life and times of a father. It talks about the mother of the father's children. It chats about his pastime and notable accomplishments. It culminates with Dad's acknowledgements, beliefs and advice for his children. The journal is styled in a question and answer format. This will help you write down the memories, thoughts, and ideas you wish to share with your children. Please remember, much of what makes up who your children are comes from you, so your story is also their story.
