The Complete Book of Talismans, Amulets and Magic Gemstones

William Thomas Pavitt, Kate Pavitt

The Complete Book of Talismans, Amulets and Magic Gemstones William Thomas Pavitt, Kate Pavitt
ENERGY! – POWER! – PRESTIGE!

IT COULD BE AS SIMPLE AS CARRYING THAT ‘LUCKY COIN’ IN YOUR POCKET. . .OR
SLIPPING ON THAT GLITTERING NECKLACE OR BRACELET.

OR VOGUEING THAT DAZZLING WEDDING OR ENGAGEMENT RING.

Yes! The truth is that there is great power – tremendous psychic and magnetic influences – in a variety of talismans and gems that have been held in high esteem, initially because of their beauty and later because of their virtues as transmitters of good luck and to avert misfortune.

Carrying the right talisman or good luck charm is like wishing on a rainbow or making pals with your own, personal, Leprechaun.

In this day and age everyone wants to get rich! – And quickly! We all wish the best for ourselves and our family – and we’d better get on the ball and do it pronto. And if you don’t have a super paying job or a rich daddy, chances are we have to go about finding the end of the rainbow in some other way.

Good luck charms -- as they are called -- have been with us since the beginning of recorded history. People have come to put their faith in that which they believe to be magical. It could be something as “simple” as a good luck gemstone, or as “complicated” as using a word from the Kabala. But there is a strong belief that these talismans and amulets can really work miracles in your life just as they have done for centuries.

This book is perhaps the best reference work on the subject, and includes numerous “magical tools” that are practical and helpful. The section by William and Kate Pavitt includes the lore of gems and their astrological connections from the remotest past. Whether the items are made of simple material or the quality of the Hope Diamond, your individual jewelry or “Lucky Stone” can be used as a beneficial force to command the powers of the Universe so you may lead a more prosperous, energetic life style.

Here for the first time, hundreds of crystals, stones, talismans and amulets with connections from all over the world, are categorized with their most beneficial uses. The fascinating contents of this work include hundreds of different topics:

O – The Psychic and Magnetic Influence Of Talismans and Gems. – O Talismans of Wisdom. – O Early Roman and Greek Influences. – O Magic Gemstones of the Archangels. – O The Symbolic Nature of the Cross. – O Deciphering the Wheel of Life. – O Moon Amulets and the Blessings of Rings. – O The Ten Most Divine Stones. – O Utilizing the Spare Change In Your Pocket to Defend Against Negativity.

In this workbook and study guide you will find a variety of Special Meditations from psychic and channeler Diane Tessman. . . The Healing Power of Talismans and Gems by Shelley Kaehr, Ph.D. . . . and Using Charms, Amulets and Rings To Improve the Quality of Your Life by Brad Steiger. Simply put, this is the “all in one” book that can work for YOU!
