The Mysterious Lindsey Lights: One Family's True Encounters with Strange Lights in the Sky Near Lindsey, Wisconsin Betty May Ockerl

In 1997, Betty May Ockerl moved with her husband and daughter to a small home on ten acres of wooded land near Lindsey, Wisconsin. She was comfortable in her surroundings, but in 2004, she and her daughter began seeing strange lights in the skies. The lights appeared in different sizes and degrees of brightness above the tree line and formed shapes similar to those described in UFO literature. She consulted with neighbors and friends who had also seen these lights and went to great lengths to consult experts on the topic. In this brave and detailed account of her experiences, Ms. Ockerl boldly asks the question: What is behind the mysterious Lindsey lights, and why do they still remain unexplained?
