The Year's Best Dark Fantasy & Horror 2010

The Year's Best Dark Fantasy & Horror 2010

- Darkness surrounds us. We can find darkness anywhere: in a strange green stone etched with mysterious symbols; at a small town's annual picnic; in a ghostly house that is easy to enter but not so easy to leave; behind the dumpster in the alley where a harpy lives; in The Nowhere, a place where car keys, toys, people disappear to; among Polar explorers; and, most definitely, within ourselves. Darkness flies from mysterious crates; surrounds children whose nightlights have vanished; and flickers between us at the movie theater. Darkness crawls from the past and is waiting in our future; and there's always a chance that Halloween really is a door opening directly into endless shadow. Welcome to the dark. You may never want to leave.
- This inaugural volume of the year's best dark fantasy and horror features more than 500 pages of dark tales from some of today's finest writers of the fantastique. Chosen from a variety of sources, these stories are as eclectic and varied as the genre itself.
