A haunting, unsolved murder.

A father seeking redemption.

A son committed to helping him get it.

Did America's most notorious serial killer, Ted Bundy, kill Janet Leigh Lester?

That's the conclusion Jack Jordan, John's father, reached back when he first investigated the case, but now he's not so sure.

On the same weekend Janet was crowned Miss Valentine at the pageant and Queen at the Sweethearts dance, she disappeared, her car found in an empty field, its interior covered in blood.

The case, known as the Broken Heart Murder, is decades cold now, but a new clock is ticking and John Jordan has one last chance to help his father get it right.

With no jurisdiction and no support and no real hope of solving such an old, cold case, John Jordan is not taking no for an answer.

Once and for all, and before it's too late, John Jordan is going to find out who's responsible for the Broken Heart Murder and bring justice to Janet, redemption to his dad, and peace to all those still living under a cloud of suspicion and a shroud of sadness.

Poignant. Touching. Tragic. Cathartic. Blood Work is much more than a baffling mystery, it's the story of a father and a son and the broken people they're trying to help mend.

The inside or content is actually fantastic as the outside or even cover. Your reading 6th sense will directly assist you to pick up this book.

#### **Alva Stephenson:**

As a scholar exactly feel bored for you to reading. If their teacher requested them to go to the library in order to make summary for some e-book, they are complained. Just tiny students that has reading's spirit or real their hobby. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that examining is not important, boring and can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this

period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Blood Work: A John Jordan Mystery (John Jordan Mysteries) can make you truly feel more interested to read.
