Undercover Sex Signals Leil Lowndes

Undercover Sex Signals (USS) is a refreshing look at male-female communication aimed at taking the mystery out of meeting, dating, and mating for the average guy. In a relaxed no-nonsense style best selling author and communications expert Leil Lowndes gives baffled men straightforward advice on how to recognize and read the 26 most common female sex signals.

Using beautiful black and white photography featuring four lovely ladies to demonstrate Leil has created an almost fool proof way to educate men about women's non-verbal signals. USS provides concrete guidance on everything from the best activity for a first date to how a guy should dress to increase his odds with women.

In USS Leil breaks the mold of the standard how-to guides that all too often leave men with information overload but no practical way of applying it. USS readers are given surefire advice, backed up with scientific support, on how to utilize their newfound wisdom to identify and approach women who will be receptive to their advances.

Most men will be surprised to learn that in almost any social situation every man in the room has at least three or four women with their eyes on him. The properly trained USS man knows how to read the signals those ladies are throwing at him and never has to risk the embarrassment of rejection again.
