As Many Hands As God Brian Ames

“As Many Hands As God” is the fourth short-story collection by critically acclaimed literary fiction author Brian Ames. The book’s 19 stories survey wide-ranging landscapes – both tangible and psychological – in posing the questions: If there is a creator, and if that creator intervenes in human affairs, how does that intervention come about? The author’s geographies include the bright, bleached deserts of the West’s Great Basin; the desensitizing darkness of a New Jersey hotel room; the humid torpor of a Midwest minor league baseball diamond at high summer; and time-shifting through an apple orchard in central Washington state in search of forgiveness. Ames explores themes of loss and recovery, ache and joy, offense and reconciliation, sin and redemption. Ultimately, he stakes out a position that if God does have hands and intervenes in humanity, those hands are people – of all ages, ethnicities and backgrounds.

From reader reviews:

Brandon Huff:

The book As Many Hands As God can give more knowledge and also the precise product information about everything you want. Why then must we leave a very important thing like a book As Many Hands As God? A few of you have a different opinion about guide. But one aim which book can give many facts for us. It is absolutely appropriate. Right now, try to closer with the book. Knowledge or information that you take for that, you could give for each other; you can share all of these. Book As Many Hands As God has simple shape however you know: it has great and big function for you. You can appear the enormous world by open up and read a guide. So it is very wonderful.

Lisa Cook:

What do you with regards to book? It is not important along with you? Or just adding material when you require something to explain what you problem? How about your time? Or are you busy man or woman? If you don't have spare time to accomplish others business, it is gives you the sense of being bored faster. And you have free time? What did you do? Every individual has many questions above. They need to answer that question simply because just their can do this. It said that about reserve. Book is familiar on every person. Yes, it is appropriate. Because start from on pre-school until university need this As Many Hands As God to read.

Barbara Morton:

Reading a reserve tends to be new life style within this era globalization. With reading you can get a lot of information that could give you benefit in your life. With book everyone in this world can certainly share their idea. Publications can also inspire a lot of people. A lot of author can inspire their very own reader with their story as well as their experience. Not only situation that share in the textbooks. But also they write about the knowledge about something that you need example of this. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors these days always try to improve their ability in writing, they also doing some exploration before they write on their book. One of them is this As Many Hands As God.

Thomas Hawkins:

Spent a free time and energy to be fun activity to complete! A lot of people spent their down time with their family, or all their friends. Usually they accomplishing activity like watching television, likely to beach, or picnic within the park. They actually doing ditto every week. Do you feel it? Do you want to something different to fill your own personal free time/ holiday? Could possibly be reading a book can be option to fill your cost-free time/ holiday. The first thing that you ask may be what kinds of reserve that you should read. If you want to try out look for book, may be the book untitled As Many Hands As God can be fine book to read. May be it could be best activity to you.
