Wonder Woman Masterpiece Edition: The Golden Age of the Amazon Princess Les Daniels

As beautiful as Aphrodite, strong as Hercules, wise as Athena, and swift as Mercury, the much-adored Wonder Woman is celebrated in this long-awaited Masterpiece Edition. This incredible collection pays tribute to the Golden Age of Wonder Woman in two ingenious formats: a compact, inexpensive, trade edition, and a larger, more deluxe collector's edition. Both contain an exclusive 8-1/2-inch action figure of Wonder Woman, circa 1941, and a lavishly illustrated hardcover book chronicling the origins and early history of the Amazon Princess. The Wonder Woman figure is available only in these editions, and it authentically replicates the heroine as she appeared in her earliest days--complete with star-spangled cloth skirt, golden bracelets, and detachable magic lasso (the one that can make a man forget everything). The larger collector's edition also contains a faithful color reproduction of the very first Wonder Woman comic book. Both editions will be treasured by fans of the woman who wants to "change your mind--and change the world!"
